## Are cats free to roam at large in Canmore?

The simple answer is "no". It is a violation of the Domestic Animal Control Bylaw. Cats that are free to roam can create a nuisance for property owners as well as can pose a safety risk.

Did you know that the average life span for an outdoor cat in the Bow Valley is approximately 2 years while an indoor cat can live for 18 years or longer?

For more details on the Domestic Animal Control Bylaw or any of the Town's Bylaws check the website for more details or contact Bylaw Services at 403.678.4244

## Did you know?

The course will be facilitated by a Service Canada CPP Representative on **Thursday, November 19th** in the Civic Centre Council Chambers. Call 403.609.3743 to register.
